To our supporters new and old,

Los Angeles Ballet is planning an exciting 2009-2010 Season and we would love your involvement. It is with great pleasure that I am announcing the formal establishment of Los Angeles Ballet Guild, and am delighted to extend to you an invitation to become a Founding Member.

The mission of LABG is to provide a vital link between Los Angeles Ballet, its artistic and executive leadership, its board of directors, and the Southern California community. It exists to support the mission of LAB and provide the necessary assistance to organize all performances. Through its activities and fundraising, the Guild is by nature philanthropic, creative, entrepreneurial, and industrious. Our organization will be the major support group of LAB.

We have drafted an official set of bylaws and established two levels of membership: Sustaining members will accept responsibility for the activities of the Guild and will be assessed annual dues of \$75.00. Supporting members will be relied upon for support through their event and performance attendance, and through the promotion of LAB amongst their circle of influence. Dues for supporting membership are \$250.00.

All dues are tax deductible and payable by October 15th.

The dues, by funding the day to day activities of the Guild, will ensure the health, well being and continued success of LAB. Guild members will be recognized in performance programs and feted at a reception given by LAB in May. Founding Members will be recognized in perpetuity.

Membership is limited, so we look forward to hearing from you soon. Attached to this letter you will find an application for membership for LABG with all instructions for mailing.
